

Privacy Policy

Effective Date: 3/5/25

Math Quest VR: The Search for the Crown of Calculation ("the Game") is a single-player virtual reality experience developed by The Devhouse Agency LLC ("we," "us," or "our"). Protecting your privacy is important to us. This Privacy Policy explains our data practices regarding the collection, use, and storage of user data when you use the Game.

1. Data Collection and Processing

The Game does not collect, process, or store any personally identifiable information. However, the Game stores certain gameplay-related data locally on your device, such as your score, progress, and unlocked levels. This data is not transmitted, shared, or linked to any personal identifiers.

2. Purpose of Data Use

The locally stored gameplay data is used solely to enhance your gaming experience, allowing you to track progress, retain unlocked levels, and improve gameplay continuity. This data remains on your device and is not shared with us or any third parties.

3. User Data Deletion Requests

Since all game-related data is stored locally on your device and is not collected by us, you can delete this data at any time by uninstalling the Game. If you need assistance with data removal, please contact us at contact@thedevhouseagency.com.

4. Justification for Data Deletion Requests

Because we do not collect or store any user data on our servers, we are unable to process deletion requests beyond what you can manage on your device. Uninstalling the Game will remove all locally stored data.

5. Contact Information

If you have any questions about this Privacy Policy, you may contact us at:

The Devhouse Agency LLC
contact@thedevhouseagency.com

By using the Game, you acknowledge that no personal data is collected, stored, or processed by us. If any updates to this policy are necessary, we will publish them here with a revised effective date.

Thank you for playing Math Quest VR: The Search for the Crown of Calculation.
